

REPORT FORM

| |
|---------------------------------------------------------------------------------------------|
| Report on compliance with the placement of mandatory share of biofuels on the market |
|---------------------------------------------------------------------------------------------|

| | |
|-----------------------|--|
| Reporting year | |
| Reporting date | |

| | | |
|------------------------------|----------------------------------|--|
| Data on the reporting entity | Full Name | |
| | Identification number | |
| | Reporting entity registry number | |
| | License | |
| | Address | |

| | | |
|--------------------------------------------------------|-----------|--|
| Data on the responsible person of the reporting entity | Full name | |
| | Position | |
| | Phone no. | |
| | e-mail | |

| | | |
|----------------------------------------------------|-----------|--|
| Data on the contact person of the reporting entity | Full name | |
| | Position | |
| | Phone no. | |
| | e-mail | |

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Mandatory share of biofuels which the reporting entities were required to place on the market of the Republic of Serbia in the reporting year UB [%] | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|--|

| Data on fuels placed on the market of the Republic of Serbia by the reporting entity in the reporting year | | | | |
|------------------------------------------------------------------------------------------------------------|----------------|----------------------------------------------------------------------------------------------------------------|--------------------------------------------------------|----------------------------------------------------------------------------------------------------|
| i | Type of fuel | Volume of appropriate fuel which the reporting entity has placed on the market in the reporting year M_i [t] | Inferior calorific value of the fuel QM_{di} [MJ/kg] | Fuel energy content placed on the market by the reporting entity in the reporting year EG_i [MJ] |
| 1 | Motor gasoline | | 43 | |
| 2 | Gas oil | | 43 | |

| | |
|--------------------------------------------------------------------------------------------------------|--|
| Total fuel energy content placed on the market by the reporting entity in the reporting year EG [MJ] | |
|--------------------------------------------------------------------------------------------------------|--|

| | |
|-------------------------------------------------------------------------------------------------------------|--|
| Total biofuel energy content placed on the market by the reporting entity in the reporting year EG_i [MJ] | |
|-------------------------------------------------------------------------------------------------------------|--|

| Data on biofuel placed on the market of the Republic of Serbia by the reporting entity in the reporting year | | | | | |
|--------------------------------------------------------------------------------------------------------------|-----------------|---------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------|-----------------------------------------------------------|--------------------------------------------------------------------------------------------------------|
| j | Type of biofuel | Volume of appropriate biofuel which the reporting entity has placed on the market in the reporting year | | Inferior calorific value of the biofuel QM_{dj} [MJ/kg] | Biofuel energy content placed on the market by the reporting entity in the reporting year EBG_j [MJ] |
| | | where energy value is not double-counted M_j [t] (kj = 1) | where energy value is double-counted M_{j2} [t] (kj = 2) | | |
| From domestic production | | | | | |
| 1 | bioethanol | | | 27 | |
| 2 | bio-ETBE | | | 13 | |
| 3 | biomethanol | | | 20 | |

| | | | | | |
|---------------------|----------------------------|--|--|----|--|
| 4 | bio-MTBE | | | 7 | |
| 5 | bio-DME | | | 28 | |
| 6 | bio-TAEE | | | 11 | |
| 7 | biobutanol | | | 33 | |
| 8 | biodiesel | | | 37 | |
| 9 | Fischer-Tropsch diesel | | | 44 | |
| 10 | hydrogenated vegetable oil | | | 44 | |
| 11 | pure vegetable oil | | | 37 | |
| 12 | biogas | | | 50 | |
| From imports | | | | | |
| 1 | bioethanol | | | 27 | |
| 2 | bio-ETBE | | | 13 | |
| 3 | biomethanol | | | 20 | |
| 4 | bio-MTBE | | | 7 | |
| 5 | bio-DME | | | 28 | |
| 6 | bio-TAEE | | | 11 | |
| 7 | biobutanol | | | 33 | |
| 8 | biodiesel | | | 37 | |
| 9 | Fischer-Tropsch diesel | | | 44 | |
| 10 | hydrogenated vegetable oil | | | 44 | |
| 11 | pure vegetable oil | | | 37 | |
| 12 | biogas | | | 50 | |

**Total amount of biofuel energy placed on the market by the reporting entity in the reporting year
EBG [MJ]**

**Share of biofuels placed on the market of the Republic of Serbia by the reporting entity in the reporting
year [%]**
